Additional Information Required for UKAS Accredited Swab/Rinse Water Results:

SWABS:

Were swabs taken using the Romer Labs Allergen Swabbing Kit? Yes No

If an alternative swabbing kit was used, please provide details below (manufacturer, catalogue number etc).
Accredited results will only be reported if the swabbing kit has been validated for use with the test in question.

Have swabs been frozen? Yes No

If so, for how long?

Accredited results will only be reported for swabs frozen for a maximum of 1 week.

RINSE WATERS:

Is the solution submitted water (i.e. not a chemical rinse or other liquid)? Yes No
